

Group Training Northern Territory Foundation

The Group Training Northern Territory (GTNT) Foundation has been investing in the Northern Territory community since 2003.

Our Purpose

Our purpose is to improve the operation of the apprenticeships market in the Northern Territory, especially in traditional trades and skill shortage areas.

Our Focus

Community involvement

Programs that encourage and support young people to participate in Apprenticeships and strive for excellence.

Capacity Building

Programs that support the expansion of local Apprenticeships and encourage the participation of local industry, employers and parents.

Our principles

1. Identifying unique and strategic opportunities to create apprenticeship demand
2. Initiating and being receptive to ideas that can make an innovative and lasting contribution to apprenticeships.
3. Regularly evaluating, reviewing, and refining our community investments.
4. Sharing our achievements with our stakeholders and the community.

Our Programs

2004 and 2005 Programs

Community Building Programs

- Apprenticeships Sponsorship Program
- GTNT Structured Work Experience Program

Capacity Building Programs

- Teacher Release Program
- YouthWorX NT Careers Centre Feasibility Study
- Work Ready Program
- Application for Local Community Partnership in Alice Springs.

The Future

2006 and Beyond

The Foundation will continue to support the existing programs for as long as they continue to assist in the operation of the apprenticeship market in the NT.

The Foundation has also sponsored two key projects in 2006, funding research into:

- the accommodation needs of NT apprentices
- wages rates of NT apprentices

The Foundation will remain flexible so it can respond to ideas and innovations that can have an impact on the local apprenticeships market. Ideas are welcomed from all sectors.

Send ideas and applications to:
