Hi Everyone

This month is busy with Careers Expos and I will be travelling around the Territory to attend these. (I love my job).

I hope you all enjoyed the Darwin Cup Season and didn't lose too much money.

I would like to remind all of you waiting for our Major Intakes for 2009 that we will be commencing our recruitment process by the end of September if all stays on track.

We have some great vacancies at the moment in some interesting trades so if you are looking for a career call Lisa-Joy and have a chat.

Cheers

Lisa
