

Hi Everyone

July is upon us with the V8 supercars, the Regional Shows and the commencement of the Darwin Cup Carnival. I love Darwin at this time of the year.

Group Training NT have a new Recruitment Officer in the Darwin Office and we have her profile in this newsletter.

Have a great month, enjoy all of our dry season events and I will see you next month.

Cheers
Doddsy

Profiles

Name: Lisa-Joy Cron

Title: Recruitment Officer

Previous Job History: Recruitment Consultant, Receptionist, Administration Trainee completing Certificate II & III in Business

Personal Information: I am 23 and planning a wedding for July next year. My fiancé is a painter and we have one K9 child called Bouncer. My favourite things are hanging out with my family and friends and cooking.

Looking for a Career

When looking for a career you need to keep a positive attitude and plan the process carefully. It is hard work but can be a rewarding experience where you may discover you have talents or interests in areas you hadn't thought of before. Here are a couple of steps to see you headed in the right direction.

1. Prepare to look for a Career

- Think about your interests and goals
- Put together a folder of all your certificates from sports organisations to qualifications
- Find out what your target employers may be looking for, i.e. a license or EFTPOS skills

2. Look for the Vacancy

- Look in the paper
- Tell everyone you know what you are looking for - word of mouth goes a long way
- Search all websites, gtnt.com.au, seek, jobsearch and they will have links to other sites of interest. Check out the links on our GTNT website for more.

3. Apply

- Know how to prepare for an interview, dress appropriately and be on time.

Good Luck and if you would like to chat about your career call Lisa-Joy on 89412112.
