Compete to be the Best in your Industry

What is the WorldSkills Australia Regional Competition?

The WorldSkills Australia Regional competition is a challenge. A challenge to be the best in your skill area! Competitions aim to test your skills against those of your peers. It will inspire you to be the best you can be. One or two days of competition will see how well you know the skills of your job.

Why would you want to compete?

This is an incredible opportunity. WorldSkills Australia competitions allow you to measure your work performance. Competition feedback can tell you a lot about yourself, in particular where you need extra training and what your strengths are. Results are a great way to get noticed at work and you may want to use the external feedback about your skills and abilities at your next work performance review. Competition results will make you stand out! Giving it a go shows you to be an employee dedicated to improving your skills and willing to tough it out in a competition against the best in your field.

How does the competition work?

At the competition you will be provided with a work area. Each work area in your category will be identical, meaning that each competitor will have the same materials, equipment and instructions. You will be given a competition project to complete over one day. You can bring your own tools according to a list provided in the Project Information package. Your work will be assessed both during and at the end of the competition by a panel of experts according to a prescribed marking system. Competition results will be announced as soon as possible and you will be presented with a certificate and a score sheet which details how you rated in each different skill area.

What if I win?

If you win the Regional Competition you may be eligible to progress to the National Competition in 2010.

Categories are: Vetis Commercial Cookery, Refrigeration Services, Welding, Vetis Primary Industries, Cookery, Vetis Food & Beverage, Business Services, Hairdressing, Vetis Tourism, Beauty, Vetis Business Services
