

CHC30113 - Certificate III in Early Childhood Education and Care (Release 4)

Qualification Description

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development.

This qualification is delivered by Child Australia through a partnering arrangement with GTNT Training.

How will you learn?

Option 1: Delivery will be over an 18-month period with nine one week blocks consisting of a combination of face-to-face theory workshops, work placement and online self-paced learning (Catapult).

Option 2: Delivery will be over an 18-month period with face-to-face theory workshops held one day per month along with combination of work placement and online self-paced learning (Catapult).

This course is offered through a recognition pathway. Your learning has occurred over your years of working in a role which reflect the units of competency.

Recognition of Prior Learning (RPL)

RPL is an assessment process that involves assessment of an individual's relevant prior learning (including formal, informal and non-formal learning) to determine the credit outcomes of an individual application for credit. We will work with students to identify any relevant existing skills and knowledge they may have to determine their eligibility for recognition for any components of the qualification which may save time and avoid unnecessary duplication of training.

Course Outline

This qualification consists of 18 units, being made up of 15 core units and 3 elective units of competency from the Community Services Training Package, as detailed on page 2 of this flyer.

Please note that Child Australia does not deliver the unit HLTAID004.

Work Placement Schedule

There is a minimum of 120 hours of work placement in at least one regulated education and care service.

Students following a funded program:

This work placement is arranged by the employer listed on the students individual training plan as part of the funding model.

Students following a fee for service program:

Students who will undertake this program as a fee for service must provide their own work placement to meet the 120 hour of work placement required by the training package.

Work placement will commence in Block-week two following the successful completion of HLTWHS001—Participate in workplace health and safety.

Unique Student Identifier

From 1 January 2015, all students participating in Nationally Recognised Training in Australia will need to have a Unique Student Identifier, or USI. This includes students completing an apprenticeship, skill set, and certificate or diploma course. A USI gives you access to your online USI account and will contain all of your nationally recognised training records and results from 1 January 2015 onwards. Your results will be available in your USI account.

When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you will have easy access to your training records and results throughout your life.

It is free and easy for you to create your own USI online at www.usi.gov.au. Your local Customer Service office can also provide further information and assistance. For assistance please call us on our admin desk line 04 2660 3503/02 8872 8903.
